**RE:** **ENERGY STAR Partner Spotlight - Hoshizaki America, Inc.**

Headquartered in Peachtree City, GA, Hoshizaki America is known as the World's Number One Ice Machine Company. Dedicated to producing high quality and highly energy-efficient commercial kitchen equipment, Hoshizaki's product offering includes refrigerators, freezers, under-counter prep tables, dishwashers and display cases.

Hoshizaki America has been an active **ENERGY STAR manufacturing partner** for the commercial ice machines program since 2007, and since 2009 for the commercial refrigerators and freezers and commercial dishwashers programs. In addition to highlighting helpful utility rebate information for customers on its website, Hoshizaki clearly advertises the value of providing energy efficient and ENERGY STAR qualified products to its consumers. Hoshizaki America is also the recipient of the 2010 Gold Dealer Design Award for commercial refrigeration and ice machines and was voted "Best in Class" by operators in Foodservice Equipment and Supplies (FE&S) magazine from 2006-2010.

Hoshizaki adheres to energy guidelines stipulated by the U.S. Green Buildings Council (USGBC) LEED programs to reduce energy use in its facilities. Hoshizaki also makes a committed effort to minimize pollution from its manufacturing processes and employs a highly successful recycling program, recycling 100 percent of metal scrap, batteries, electronics equipment, and packaging by-products. Hoshizaki America is currently the **only foodservice manufacturer that is ISO-14001 certified**. This certification enables manufacturers to develop products that save energy, and helps implement conservation and preservation practices.

Durable...Sustainable...Reliable...Hoshizaki products.
