RE: Hoshizaki America, Inc. introduces **Energy Star Certified "Jet Wash" High Temperature Commercial Dishwasher, JWE-620UA-6B Stationary Rack/Door Type**

Hoshizaki's "Jet Wash" Stationary Rack Dishwasher utilizes less water than any competitor in the market! With its patented high pressure nozzle, 6 directional wash arms, separate wash and rinse pumps, the unique design saves energy and operational cost while providing an eco-friendly, sanitary dish system. The Jet Wash Operation Panel can record data, has audible adjustments to cycle times and can be placed on either the right or left side of unit. Featuring easy maintenance and clean-ability...this Energy Star Certified Hoshizaki dishwasher requires no tools for the removal of parts.

Hoshizaki America, Inc. is headquartered in Peachtree City, Georgia with manufacturing operations in both Peachtree City, Georgia and Griffin, Georgia. Hoshizaki's automated facilities manufacture complete lines of ice makers, dispensers, refrigerators/freezers and related accessories. For more information, please visit Hoshizaki's website at www.hoshizaki.com
