RE: **Hoshizaki America, Inc. Announces the Manufacturing of the New TempGuard Series Two Section Pass Thru Refrigerator with Stainless Steel Doors featuring:**

- All stainless steel interior and exterior construction available in full and half height door models.
- The refrigerator's ducted air flow system creates even, consistent temperatures throughout the cabinet eliminating "hot spots" and protecting product from food borne bacteria.
- TempGuard's Evercheck™ control center with unequalled reliability, monitors critical refrigeration functions and provides an audio or visual alarm to alert the operator if an error is detected.
- Hoshizaki's reach-in doors feature all stainless steel construction, flush mount handles and a "stepped" design that protects and extends the life of expensive gaskets.
- Removable, cleanable air filter protects condenser and reduces cleaning requirements.

Hoshizaki America, Inc. is headquartered in Peachtree City, Georgia with manufacturing operations in both Peachtree City, Georgia and Griffin, Georgia. Hoshizaki's automated facilities manufacture complete lines of ice makers, dispensers, refrigerators/freezers and related accessories.
