RE: C-100 BAE-AD and ADDS
Under counter, Self Contained Cubelet Ice Machine with Built-in Storage Bin

- C-100BAE-AD, less than 32" tall, designed for installation under standard or ADA height countertops
- Only under counter self-contained cubelet machine available on the market
- The C-100 has carbon graphite bearings that do not require any grease
- Stainless steel auger driven unit produces 92lbs. of chewable, cubelet ice
- The self-contained unit stores up to 22lbs. of ice
- The narrow depth allows for an easy install, just slide the unit "in and out" of the customers preferred space
- The unit has one water supply connection, one drain connection, and a power cord to plug in allowing for an uncomplicated, simple installation and maintenance
- There is no control box, so the sequence of operation is uncomplicated to diagnosis.
- Power switch accessible without panel removal
- To access the C-100 for maintenance and cleaning, only remove the plastic panels inside the bin with two thumbscrews, minimum tools required
- Durable attractive stainless steel exterior
- Swing style reversible door
- UL approved for outdoor use
- **Gold Award Winner** in the Refrigeration & Ice Machines category in the **2009 Dealer Design Awards Program**
