**DATE:** April, 2011

**RE:** **Hoshizaki America, Inc. introduces Commercial Series Reach-in Refrigerators and Freezers.**

Hoshizaki's "Commercial Series" Reach-in Refrigerators and Freezers are designed to save the consumer energy and cash. Commercial Series Refrigeration is ENERGY STAR® qualified and the only units in today's market with a unique airflow design providing even distribution of cold air. Constructed of durable stainless steel and superior wall thickness (2 3/8") means less energy is consumed. Four inch casters are pre-installed at the factory for roll-in convenience. The Commercial Series Reach-in's features a 5 year warranty on compressor and 2 year on parts and labor. Hoshizaki's Commercial Series Refrigeration is manufactured at the Griffin, Georgia facility and has service network available 24 hours, 7 days a week for customers.

Hoshizaki America, Inc. is headquartered in Peachtree City, Georgia with manufacturing operations in both Peachtree City, Georgia and Griffin, Georgia. Hoshizaki's automated facilities manufacture complete lines of ice makers, dispensers, refrigerators/freezers and related accessories. For more information, please visit Hoshizaki's website at [www.hoshizaki.com](http://www.hoshizaki.com)
