RE: **Hoshizaki America, Inc. Professional Series Reach-in Refrigerators and Freezers.**

Hoshizaki's "Professional Series" Reach-in Refrigerators and Freezers are designed to save the customer energy and cash. The Professional Series is ENERGY STAR® qualified and the only units in today's market featuring adaptive control technology. This state-of-the-art technology is both a visual and audio alert system that monitors 10 different operations of the cabinet. The innovative "ducted" air flow design provides even distribution of cold air, eliminating hot spots. Professional Series Refrigeration is constructed of stainless steel and available with half door and glass door options. The models are available in one, two and three door. Other features include a step door design, 2 3/8" wall thickness and removable air filter to improve efficiency and maintenance. In 2010, the Professional Series Reach-in's won the Gold Winner of the Dealer Design Awards and honor a 5 year warranty on the compressor and 2 year warranty on parts and labor.

Hoshizaki America, Inc. is headquartered in Peachtree City, Georgia with manufacturing operations in both Peachtree City, Georgia and Griffin, Georgia. Hoshizaki's automated facilities manufacture complete lines of ice makers, dispensers, refrigerators/freezers and related accessories.
